STEVE OSTER, SUPERINTENDENT

INDIVIDUAL PROFILE

DATE: 11/1/11

D is currently looking for a provider to provide HPC and Transportation services to access his community. He is an independent 27 y/o with Asperger's and lives with his family 7.5 miles North East of Mount Vernon. He is active in theatre, likes watching movies and would need assistance in doing both along with an occasional trip to a book store and shopping out of town. He is looking for a provider that he can build a long term, trusting relationship and that can work with his schedule. Those interested should respond to the contact information below by 11/14/11. He will review inquires and decide whom he would like to interview for the position. All those responding will be notified if they are interviewing or not by 11/21/11. Thank you for your interest.
