**Things I like to do:** David is still new to area and has not been able to connect with many friends. David likes to make his own candles. He will play some video games and in the summer likes to ride his bike.

**Things I need help with:** David needs help with keeping his apartment clean. Organizing is the biggest thing for David after cleaning. Helping him make sure he knows where everything is. He may need some assistance from time to time with making sure he has paid his bills. Organization help would be very beneficial for David.
