Projected schedule for services: Saturdays and maybe some Thursday afternoon/evenings.

Is this schedule flexible: Yes No Somewhat- explain: [Click here to enter text.](#)

The best way to communicate with me is: David can hear but is unable to process speech. David knows American Sign Language, but he also is great at writing and texting to communicate and is good with any and all three ways of communicating.

Things I like to do: David loves to go out in the community. He loves shopping on Saturdays. He really enjoys Polaris Fashion Place. He also enjoys going out to eat when he's out and about. He loves to travel with his dad on trips. David also really enjoys reading and learning about the weather.

Things I need help with: He needs help getting to the places he loves to go shopping. He loves the Polaris Mall and shopping in Columbus with providers and just getting out and about.
