The Provider Certification Wizard (PCW) is being re-platformed to a new system titled Provider Services Management (PSM) on December 4, 2017. Any applications started in PCW but not fully submitted (fees paid) by December 1, 2017 will not be saved.

If your application is not submitted by 4:00 pm on Friday, December 1, 2017, your application information will be lost and you will need to create a new application in the new system.

The department is excited to offer this newly re-platformed application format and look forward to your feedback.
